Experience STEPIN

What is STEPIN?

STEPIN is an innovative K-dance game
that brings together 220 million K-pop fans worldwide.

Watch Video

STEPIN

App (Private Type)
Mobile-based personal experience,
Available in 11 languages across 177 countries

Arcade Machine (Public Type)
An immersive K-pop dance machine featuring
a 43-inch large screen and vivid sound.

Why STEPIN?

STEPIN is Korea’s flagship K-pop content, combining Sidewalk Entertainment Inc.'s proprietary AI technology.

The fusion of AI technology and K-pop

- A new way to enjoy K-pop dance
- Korea’s advanced AI capabilities
- Global interaction among K-pop dancers

Real-time AI scoring system

- Sensorless evaluation—dance is assessed with only a single camera
- Objective AI judging with consistent scoring

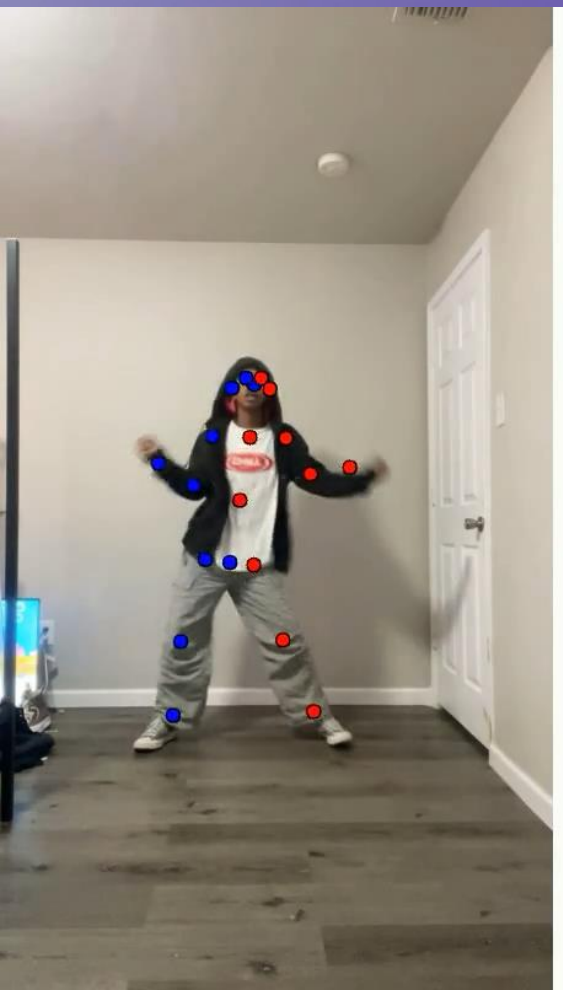

A wide catalog

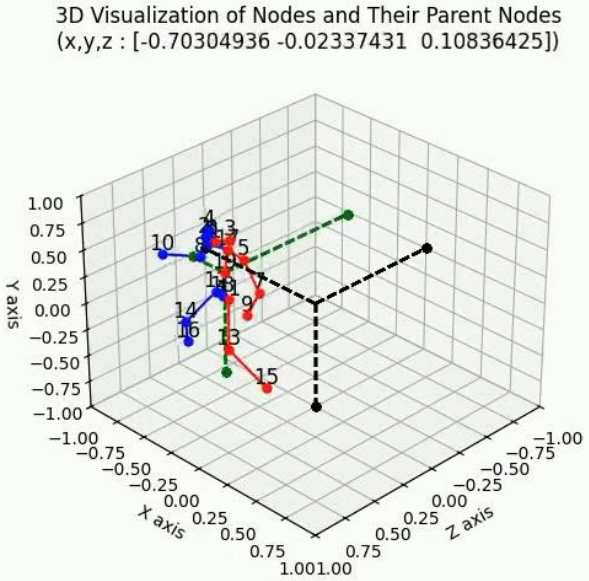

- Holds ~1,000+ K-pop tracks (latest releases)
- Multiple difficulty levels available

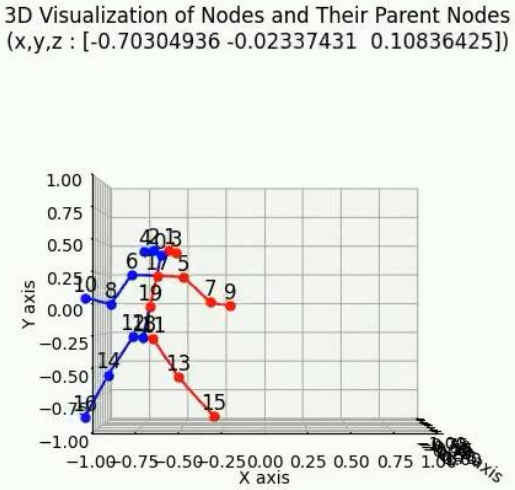

A next-generation esports game

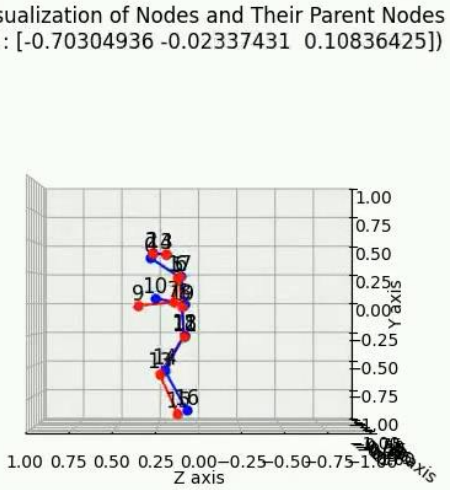

- Esports game with strong physicality
- Improves individual skills while delivering real-time feedback and the thrill of battle.
- Competition possible at national, continental, and global levels

STEPIN’s proprietary Pose Estimation AI model analyzes and scores user dance challenges in real-time.

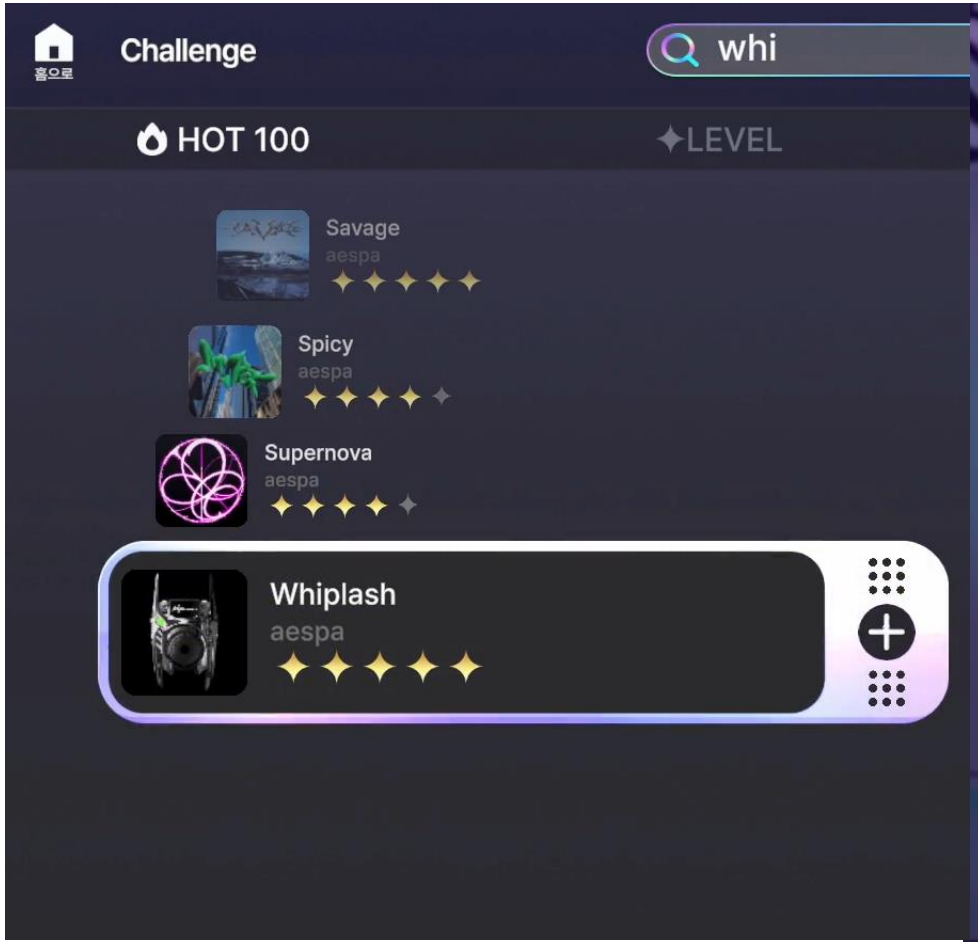

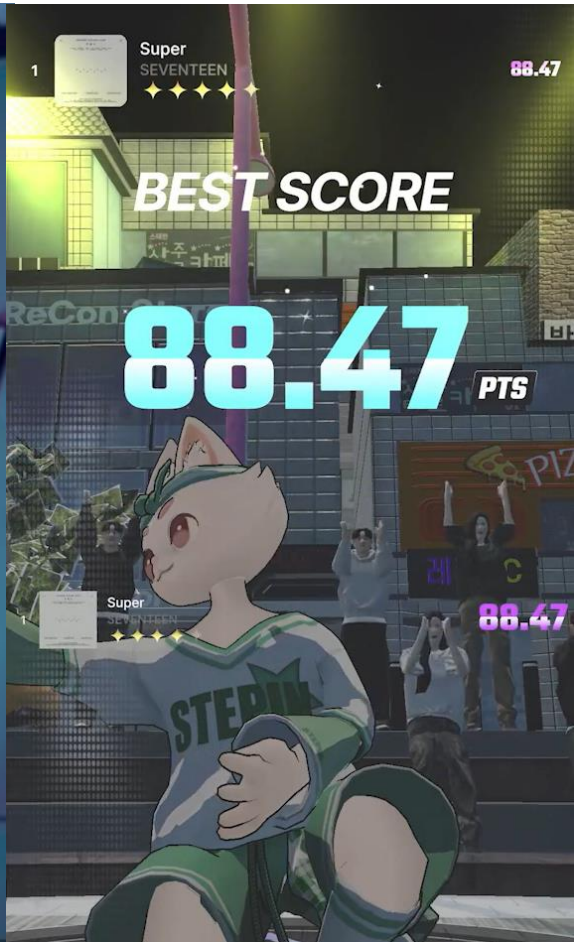

Play Video

① Dance Challenge : Select a song and dance to achieve a high score.

② 1 on 1 Dance Battle : Real-time Match

STEPIN App - Dance Mode

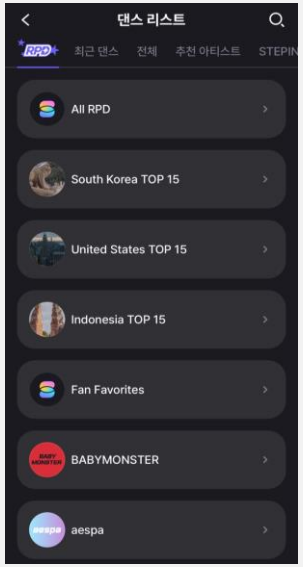

From individual practice to global battles—Experience it all on STEPIN.
